- 1. Maturity Date: Perpetual**
- 2. Issuer: Government of The First Order**
- 3. Instrument Type: Perpetual Government Security**
- 4. Face Value: ₹600**
- 5. Issue Price: ₹500**
- 6. Yield Rate: nil%**
- 7. Payment Frequency: N/A**
- 8. Redemption: At the discretion of the Government, at face value (₹600)**

Terms and Conditions

1. Issuance and Sale:
 - The government of the first order issues perpetual government securities with a face value of ₹600 each.
 - These securities are offered for sale at a discounted price of ₹500.
2. Perpetual Nature:
 - These securities are perpetual and will continue to yield annual returns until the government elects to repay the face value.
3. Redemption:
 - The government reserves the right to redeem the securities by repaying the face value of ₹600.
 - Upon redemption, yield payments will cease and the security will be void.
4. Transferability:
 - These securities are transferable in accordance with government regulations.
 - Transfers must be registered with designated financial institutions to ensure proper yield distribution.
5. Payment:
 - Yield payments will be made annually to the registered holder's bank account.
 - Payment dates and procedures will be communicated by the Treasury.
6. Taxation:

- Yield payments are subject to applicable tax laws. Holders are responsible for compliance with tax regulations.

7. Risk and Disclosures:

- Investment in these securities is subject to risks associated with government financial stability.

- Investors should understand the risk profile and yield expectations before investing.

8. Legal and Administrative Provisions:

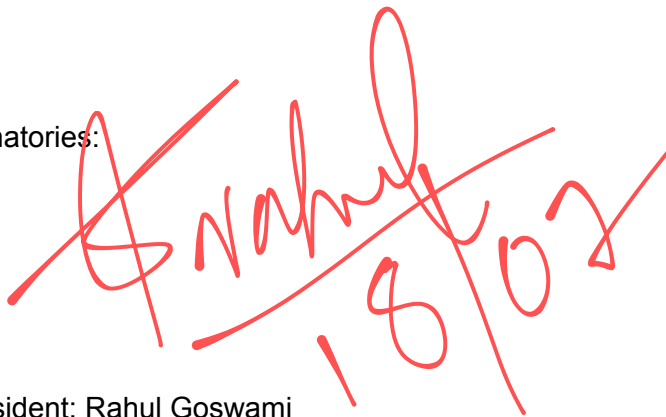

- These securities are governed by the regulations set by the Treasury, known as the Collective Prosperity Fund.

- Disputes related to the securities will be resolved under the jurisdiction of designated government tribunals.

9. Communication:

- All official communication regarding these securities will be disseminated through designated channels by the Treasury.

Signatories:

President: Rahul Goswami

By purchasing these securities, investors agree to the terms and conditions set forth in this bill.
